1. What is this product about?

This product provides benefits to the covered person on the occurrence of specific events that may arise during domestic or international travel, for business or leisure. It includes death or permanent disability due to accident, medical expenses arising due to accident or illness, various travel inconveniences, losses or damages to baggage and/or personal effects, personal liability, and emergency services. The covered person may also choose to participate in an additional benefit which extends the coverage when the covered person participates in the adventurous activities and COVID-19 benefit. The full terms and conditions related to these benefits are set out in the takaful certificate.

2. What are the Shariah concepts applicable?

Wakalah

This product applies the wakalah (agency) concept, whereby the participants appoint us to act on their behalf to invest and manage the General Takaful Fund (Fund). The participants also agree to authorize us to delegate our rights, duties and obligations to any third party as we deem fit for the purpose of achieving the objective to invest and manage the Fund, provided that, in the event of any such delegation, we will remain liable and responsible for all such rights, duties and obligations towards the participant. As an agent, we are entitled to receive a wakalah fee as a service charge.

Tabarru'

This plan also applies the tabarru' (contribution) concept, whereby the participants agree to donate or contribute their contributions to the Fund for the purpose of mutual aid and assistance to the participants based on the pre-agreed events, in case of need. At the end of each financial year, any distributable surplus in the Fund, less repayment of historic deficits, makes allowance for contingency provisions, and is subject to the surplus policy approved by our Shariah Committee is shared 50% among the participants whose certificates have not terminated and who have not made any claims within the financial year, and 50% to us for operating and managing the Fund, based on the contract of ju'alah. Ju'alah is a reward contract that specifies the share of the distribution of surplus on this basis. If the surplus is less than RM10.00, it will be credited to charitable fund which will be utilized as 'Amal Jariah' on behalf of the participant. The charitable fund will be distributed to eligible recipients as approved by our Shariah Committee for charitable purposes.
