Protect yourself to protect your loved ones.

Protecting yourself with the i-DoubleSecure plan allows you to provide your loved ones with a lump sum cash payment in the event of your untimely death or total and permanent disability; with additional benefits in the event of accident.

In Malaysia, there were **374 deaths per day** in year 2012 (Source: *Vital Statistics Malaysia 2012, Department of Statistics, Malaysia, November 2013*), and **1 out of 11 males aged 35 may die before reaching their 55th birthday** (Source: *Abridged Life Table Malaysia 2010 – 2013, Department of Statistics, Malaysia, November 2013*).

Key Benefits

Death Benefit

In the event of death, your loved ones will receive 100% of the basic Sum Covered plus the share of any accumulated surplus distributions from the Participants' Risk Fund. However, should death occur in the 1st certificate year, total contributions paid will be refunded.

For accidental death, an additional 100% of the basic Sum Covered will be payable. However, no additional benefits are paid on accidental death occurring after the certificate anniversary following your 69th birthday.

Total Permanent Disability (TPD) Benefit

In the event of TPD, you and your loved ones will receive 100% of basic Sum Covered plus the share of any accumulated surplus distributions from the Participants' Risk Fund.

For accidental TPD, an additional 100% of the basic Sum Covered will be payable. However, no benefits are paid on TPD after the certificate anniversary following your 64th birthday.

Flexible Coverage

Flexible coverage with 3 types of Sum Covered to choose from, specifically, RM50,000, RM100,000 and RM200,000.

Basis of Contract

This plan applies the Tabarru' concept, whereby the Participant agrees to donate or contribute a specified portion from the contribution paid to the Participants' Risk Fund (PRF) for the purpose of mutual aid and assistance to the Participants in case of need.

This plan also applies the Wakalah concept, whereby the Participant nominates Etiqa Family Takaful Berhad to act on the Participant's behalf to manage the plan. The Wakalah fee is paid to us to cover the costs of distributing and managing the plan.

The Wakalah fee is a fixed deduction of RM60 per annum per certificate, plus 25% of the total contribution in the first certificate year and 6% thereafter.

The contribution less the Wakalah fee will be paid into the PRF. Underwriting surplus arising within the PRF, may be distributed according to the surplus policy approved by our Shariah committee. 50% of any distributed surplus will be shared amongst the participants with in-force certificates, who have not made any claim within the financial year. The remaining 50% to be paid to us as a performance fee for operating and managing the PRF.

If the amount of any sum payable to you or any person entitled under this certificate is less than RM10, we shall credit such sum into a charitable fund, which will be utilised as Amal Jariah on behalf of the Participants.

Eligibility

You are eligible to participate, if you are at least 17 years of age and younger than 55 years, subject to fulfilment of our criteria for a minimum level of health.

To keep the benefits under this plan affordable, various exclusions apply to the benefits payable: Death due to suicide whilst sane in the first year after commencement, the contribution is refunded. Subsequently, only 60% of the Sum Covered is payable.
