The 10% of calculated surplus is subject to review on an annual basis by Us.

In the event of insufficient balance in the Fund to pay Takaful Benefits during the period of Takaful, We will make good the balance in the Fund under the principle of Qard (interest free-loan) from the shareholder's fund provided that the insufficiency is not due to Our negligence. If the insufficiency is due to Our negligence, We will make the outright transfer for the insufficiency under the principle of Hibah (gift). The participants further agree that any future surplus arising from the Fund during their Takaful period can be used to pay for outstanding Qard to Us.

The participant further agrees that if the surplus or any sum payable is less than Ringgit Malaysia Ten (RM10.00), it will automatically be credited to charitable fund, which will be utilized as Amal Jariah on his/her behalf. The fund will be distributed to eligible recipients as approved by Shariah Committee for charitable purposes.
