2. What are the Shariah concepts applicable?

Wakalah

This product applies the Wakalah concept, whereby the Participants appoint us to act on their behalf to invest and manage the General Takaful Fund (Fund). The participant and/or covered person also agree to authorise us to delegate our rights, duties and obligations to any third party as we deem fit for the purpose of achieving the objective to invest and manage the Fund, provided that, in the event of any such delegation we will remain liable and responsible for all such rights, duties and obligations towards the participant and/or covered person. As an agent, We are entitled to receive a Wakalah Fee as a service charge. The Wakalah Fee is as follows

Item	(% of contribution)
• Commission paid to the agent	15% of Contribution
• Management expenses	25% of Contribution
Total Wakalah Fee	40% of Contribution

Tabarru’

This plan also applies the Tabarru’ concept, whereby the Participants and/or covered person agree to donate or contribute their contributions to the General Takaful Fund (Fund) for the purpose of mutual aid and assistance to the Participants and/or covered person, in case of need. At the end of each financial year, any distributable surplus in the Fund, less repayment of historic deficits and allowance for a contingency provision, is shared 50% among the Participants whose certificates have not terminated and who have not made any claims within the financial year, and 50% to Us for operating and managing the Fund, based on the contract of Ju’alah. Ju’alah is a wage contract that specifies the share of the distribution of surplus on this basis. If the surplus is less than RM10.00, the surplus is to be credited into a charity fund which will be utilized as ‘amal jariah’ on behalf of the Participant.
