The Chairman also cultivates a healthy working relationship with the CEO and provides the necessary support and advice as appropriate.

In the course of its duties, the NRC is guided by the Maybank Group's Policy on the Nomination Process for the Appointment of Chairman, Director and CEO of Licensed Institutions in the Group (Policy on Nomination Process) which sets out a clear and transparent nomination process of the same, involving the following five stages:-

6. LIMITS ON EXTERNAL COMMITMENTS

6.1 Limitation for Directors

Directors are not allowed to sit on the boards of more than five (5) listed companies and must hold less than fifteen (15) directorships in non-public listed companies, to ensure that their commitment, resources and time are more focused, enabling them to discharge their duties effectively.

6.2 Consultation Prior to External Appointments

The Board values the experience and perspective that the Non-Executive directors gain from service on the boards of other companies, organisations or associations. However, prior to the acceptance of any relevant external appointments such as directorship of listed companies, organisations or other associations, Non-Executive directors should first consult with the Chairman on such proposed appointment. In any event, such commitments should not:-

- (a) cause a conflict of interest for the director;
- (b) affect the director's independence;
- (c) have potential reputational consequence to the Company; and/or
- (d) place demands on the director's time that could hinder their ability to attend board meetings and discharge their responsibilities to the Company.

- (b) result in the CEOs' holding directorships in more than five (5) entities other than the Company.

7. POLICY ON TENURE OF DIRECTORSHIP

Subject to the Board's annual evaluation of a member whose Approved Tenure is about to expire, and upon due consideration of the Maybank Group's own policy on the tenure of directorship as described below, the Company may apply to BNM for an extension of the said Approved Tenure, so that such director may continue to remain as a member of the Board.

7.2 Generally, the Maybank Group's Policy on Tenure of Directorship limits the tenure of all Non-Executive directors in the following manner:-

- (a) upon completion of a twelve (12) year period; and/or

8. SUCCESSION PLAN

Appointments to the Board are not considered in isolation but as a component of the Board's succession plan. In this context, the limitations on age and tenure of directorship as described in para. 7 above provides the Board with the opportunity to consider and reassess its succession plan periodically, not only to ensure continuity in meeting its long term goals and objectives but also to affirm that the knowledge, experience and skill sets of its members would be well suited to meet the demands of the ever changing landscape of the financial industry.

In furtherance thereof, the curriculum vitae of prospective candidates would from time to time, be discreetly obtained from various internal and external sources (including institutions which maintain salient details on directors with financial industry background) for further review by the NRC and the Board, to ensure that the Board has a steady pool of talent to choose from whenever there is a need to appoint additional members on the Board or otherwise, to replace a member who intends to retire or resign from the Board.

The Board meets at least once in every two months. However, additional meetings may be convened as and when urgent issues and important decisions are required to be taken between the scheduled meetings.

Board Meetings for the ensuing financial year are scheduled in advance before the end of the financial year, so as to allow members of the Board to plan ahead and fit the coming years' Board and Board Committees meetings into their respective schedules.
