The participants also agree to authorize us to delegate our rights, duties and obligations to any third party as we deem fit for the purpose of achieving the objective to invest and manage the Fund, provided that, in the event of any such delegation, we will remain liable and responsible for all such rights, duties and obligations towards the participant. Item	(% of contribution)
• Discount to the participant	10%
• Management expenses	35%
Total Wakalah Fee	45%

Tabarru'

This plan also applies the tabarru' (contribution) concept, whereby the participants agree to donate or contribute their contributions to the Fund for the purpose of mutual aid and assistance to the participants based on the pre-agreed events, in case of need. At the end of each financial year, any distributable surplus in the Fund, less repayment of historic deficits, makes allowance for contingency provisions, and is subject to the surplus policy approved by our Shariah Committee is shared 50% among the participants whose certificates have not terminated and who have not made any claims within the financial year, and 50% to us for operating and managing the Fund, based on the contract of ju'alah. Ju'alah is a wage contract that specifies the share of the distribution of surplus on this basis.
