INTRODUCTION

Takaful is a mutual assistance scheme based on the spirit of brotherhood and solidarity where Participants like **You** agree to assist each other financially in case of certain defined need. With this intention in mind, Participants pay their **Contributions** on the basis of **Tabarru'** (donation) to the **General Takaful Fund (Fund)** managed by Etiqa General Takaful Berhad (Takaful Operator). Payment of sum covered to Participants is payable from the **Fund** based on the concept of **Tabarru'**.

As the Takaful Operator, **We** are responsible for selecting Participants and to determine and collect the contributions. **We** are also responsible for investing the **Fund** and paying benefits to entitled Participants. All proceeds from investments will be credited into the **Fund**. The **Fund** is collectively owned by the Participants where **Tabarru'** portion of the **Contribution** is placed for the purpose of takaful. The relationship between **You** and **Us** is governed by the **Wakalah** (agency) contract.

The surplus from the **General Takaful Fund (Fund)** will be determined annually and will be payable for annual **Certificate**. The distribution, if any, makes allowance for contingency provisions, and is subject to the surplus policy approved by **Our** Shariah Committee. The distributable surplus, if any, is fifty percent (50%) paid to **Us** for operating and managing the **Fund** based on the contract of **Ju'alah** (wage), and the remaining fifty percent (50%) is shared between Participants whose **Certificates** have not terminated and who have not made any claim within the financial year. In the event of any deficit from the **Fund**, there will be no surplus distribution for that financial year. Under such circumstance, the deficit will be first funded by the amount allocated for contingency purposes. If the **Fund** is still in deficit, a **Qard** (interest-free loan) will be arranged. The **Qard** will be carried forward to the following financial year and any surplus emerging thereafter will be used to pay off the **Qard**. If the surplus is less than Ringgit Malaysia Ten (RM10.00), **We** shall credit such sum into a charitable fund, which will be utilized as Amal Jariah on behalf of the Participants. The charitable fund will be distributed to eligible recipients as approved by our Shariah Committee for charitable purposes.

Your application to join this takaful scheme as a Participant has been accepted based on the application You have signed and any other information provided to Us. If You did not fill in an Application Form, Our acceptance is based on the statement of fact and on any other information You gave Us. As a Participant, You will receive takaful cover for accident or incident as specified in the Schedule that may happen to You during the Period of Takaful according to the terms and conditions of this takaful contract.

This takaful contract is made up of the Application Form, this Certificate and the Schedule. You should read them together carefully to make sure that You get the cover You need.

This takaful scheme is governed by the Islamic Financial Services Act 2013 and regulated by Bank Negara Malaysia. A requirement of this act is the establishment of a Shariah Committee to advise Us to ensure We are not involved in any activity that is not approved by the Shariah."

Thank you for choosing this takaful scheme managed by Etiqa General Takaful Berhad.
