

EXPLANATORY NOTES

How to read this document

Please note that your Private Car Third Party Certificate only starts from page 5 onwards. To help you read and understand your certificate better we provide some explanatory notes together with comments and examples (written in italic). These are not meant to be part of your certificate and should not be used to interpret your Takaful contract in the event of any dispute.

Words in bold

You will notice that some words in the certificate are printed in **bold** letters. This is because they have been given specific meaning in your Private Car Third Party Certificate. Please refer to Section F on pages 15 to 17 for the meaning of these words.

What makes up your Takaful contract?

Your Takaful contract with us is made up of the following:

- Takaful certificate in pages 6 to 21 (excluding the italic texts);
- the information you provided us when you applied for this Takaful;
- the Schedule;
- the Endorsements attached to the certificate; and
- the Certificate of Takaful (CT).

All these must be read together as they form your Takaful contract.

Failure to have taken reasonable care in answering the questions may result in avoidance of your contract of Takaful, refusal or reduction of your claim(s), change of terms or termination of your contract of Takaful in accordance with Schedule 9 of the Islamic Financial Services Act 2013. You were also required to disclose any other matter that you knew to be relevant to our decision in accepting the risks and determining the rates and terms to be applied.

You also have a duty to tell us immediately if at any time after your contract of Takaful has been entered into, varied or renewed with us, any of the information given in the Application Form (or when you applied for this Takaful) is inaccurate or has changed.

You also have a duty to tell us immediately if at any time after your contract of Takaful has been entered into, varied or renewed with us, any of the information given in the Application Form (or when you applied for this Takaful) is inaccurate or has changed.

If you misrepresented any facts to us before the certificate is entered into, examples of the actions that may be taken by us against you include the following:

- declare your certificate void from inception (which means treating it as invalid), and we may not return any contribution;
- cancel this certificate and return any contribution less our cancellation charge or recover any unpaid contribution;
- remove one or more named drivers from your certificate and adjust your contribution accordingly;

Key: ✓ = applicable

What this certificate does not cover?

These are referred to as 'Exceptions' in your certificate and there are two sections where you can find them in your Private Car Third Party Certificate:

- o Section B1b – see 'What is Not Covered' (pages 7 to 9: applicable to Third Party Only certificate)
- o Section D – see 'General Exceptions' (pages 10 to 11: applicable to Third Party Only certificate)

There are generally three reasons why we put these exceptions in your basic Private Car Third Party Certificate:

1. Cover is not provided for the exceptions. We have to charge additional contribution if we agree to cover you for any of these exceptions. An example of the exceptions which is not covered by your basic Private Car Third Party Certificate but which may be covered if you pay additional contribution is
 - use outside Malaysia, Singapore or Brunei (see Section D – 'General Exception 6' (page 10)).
2. There are other risks which are not covered by the basic Private Car Third Party Certificate or by any of its extensions. We would have to issue a different certificate if you want these types of cover. For example, the following are not covered by your Private Car Third Party Certificate but can be covered under a different type of certificate:
 - carriage of goods must be covered under a Commercial Vehicle Certificate; and
 - hire or reward must be covered by taxi or hired car certificate.
3. We cannot and do not cover certain risks at all. Some examples of these can be seen in Section D – 'General Exceptions' (pages 10 to 11) such as:
 - war, nuclear fission or fusion;
 - risks that are against public policy or against the law; and
 - drunk driving.

How can your car be used?

Since this is a Private Car Third Party Certificate, your certificate only covers you if your car is used for "social, domestic and pleasure purposes and for the Participant's business". This is clearly stated in the Certificate of Takaful under the heading "Limitation as to Use".

The following are some examples of how your car can be used:

- to visit relatives and friends, for shopping etc.; and
- for some limited business use such as getting to and from work, and meeting customers.

However, we will not cover you, for example, if you use your car in the following manner:

- as a private taxi by charging fares to carry passengers;
- as a hire car by charging rental to use your car;
- to carry any goods in connection with any trade or business other than samples. You must buy a Commercial Vehicle Certificate to cover for this use;
- for motor trade (use for showroom display and for test-drive);
- to practise for or to take part in any race, rally, pacemaking, reliability trial or speed test; and
- use on any racetrack.

Who can drive your car?

- Practically anyone can drive your car as long as the driver:
 - has a valid licence of the relevant class to drive and is not disqualified to drive by law or for some other reason ((see exclusion on Unlicensed Drivers in Section D – 'General Exception 1' (page 10));
 - has your permission to drive (see definition of Authorised Driver in page 15); and
 - complies with all the terms and conditions of this certificate.
- If you or your authorised driver is not qualified to drive or breach any of the terms and conditions, your claim may be rejected. If we are compelled by law to pay, we can recover any sum(s) paid and any expenses incurred from you or your authorised driver.

In which territory is your car covered?

This Takaful you have participated only covers you in Malaysia, Singapore and Brunei in accordance to the laws of Malaysia. This territorial limitation may be specially extended only upon your request and accepted by Us, and confirmed by way of endorsement to this Certificate.

Note that if you intend to drive your car into Singapore, you are required by Singapore's law to have cover against Legal Liability to Passengers (LLP). Since LLP is not covered by the basic Private Car Third Party Certificate, you **MUST** participate Endorsement 100 (see page 20), which provides a limited cover for your liability for death or bodily injury of passengers.

When is your cover effective?

This Takaful is effective from the time of participation of cover or at the agreed time of commencement, until the expiry date. The period of Takaful will be printed in the Certificate Schedule and related documents. If there is any change to these dates, it will be officially shown in an Endorsement issued by us.

What is No Claim Discount (“NCD”)?

This is a form of contribution discount for not having made a claim during the preceding period of your Takaful (provided the period of Takaful exceeds one year). The scale of NCD applied is specifically mentioned in the certificate.

The applicable NCD can be checked with us or the Central NCD Database (“CND”) at <https://www.mycarinfo.com.my/ncdcheck/online> before the participation of your Private Car Third Party Certificate.

Do’s and Don’ts – after you have had an accident

• Do:

- **Call Accident Assist Call Centre (AACC) 24 hours nationwide Takaful road accident Helpline number 1-300-22-1188 or short-code 15-500**
should you need immediate road assistance or tow service or wish to make an enquiry on claims procedure;
- *inform us as soon as possible if you are involved in an accident with another road user or property or where a third party is injured and the event may give rise to a claim;*
- *report all accidents to the police within 24 hours as required by law;*
- *immediately submit to us all letters, claims, writs and summons which you have received from third parties as a result of the incident;*
- *remove your car to a PIAM Approved Repairer (PARS) or our approved panel repairer;*
- *fully complete the relevant sections of your claim form – do not put “refer to police report”.*

• Don’t:

- *negotiate, admit or repudiate any claim without our consent (see Condition 2 in pages 12 to 13).*

Condition 2 of your certificate (see pages 12 to 13) spells out the do’s and the don’ts after an accident in more detail.

PRIVATE CAR THIRD PARTY CERTIFICATE

INTRODUCTION

Takaful is a mutual assistance scheme based on the spirit of brotherhood and solidarity where Participants like **You** agree to assist each other financially in case of certain defined need. With this intention in mind, Participants pay their **Contributions** on the basis of **Tabarru'** (donation) to the **General Takaful Fund (Fund)** managed by Etiqa General Takaful Berhad (Takaful Operator). Payment of sum covered to Participants is payable from the **Fund** based on the concept of **Tabarru'**.

As the Takaful Operator, **We** are responsible for selecting Participants and to determine and collect the contributions. **We** are also responsible for investing the **Fund** and paying benefits to entitled Participants. All proceeds from investments will be credited into the **Fund**. The **Fund** is collectively owned by the Participants where **Tabarru'** portion of the **Contribution** is placed for the purpose of takaful. The relationship between **You** and **Us** is governed by the **Wakalah** (agency) contract.

The surplus from the **General Takaful Fund (Fund)** will be determined annually and will be payable for annual **Certificate**. The distribution, if any, makes allowance for contingency provisions, and is subject to the surplus policy approved by **Our** Shariah Committee. The distributable surplus, if any, is fifty percent (50%) paid to **Us** for operating and managing the **Fund** based on the contract of **Ju'alah** (wage), and the remaining fifty percent (50%) is shared between Participants whose **Certificates** have not terminated and who have not made any claim within the financial year. In the event of any deficit from the **Fund**, there will be no surplus distribution for that financial year. Under such circumstance, the deficit will be first funded by the amount allocated for contingency purposes. If the **Fund** is still in deficit, a **Qard** (interest-free loan) will be arranged. The **Qard** will be carried forward to the following financial year and any surplus emerging thereafter will be used to pay off the **Qard**. If the surplus is less than Ringgit Malaysia Ten (RM10.00), **We** shall credit such sum into a charitable fund, which will be utilized as Amal Jariah on behalf of the Participants. The charitable fund will be distributed to eligible recipients as approved by our Shariah Committee for charitable purposes.

Your application to join this takaful scheme as a Participant has been accepted based on the application You have signed and any other information provided to Us. If You did not fill in an Application Form, Our acceptance is based on the statement of fact and on any other information You gave Us. As a Participant, You will receive takaful cover for accident or incident as specified in the Schedule that may happen to You during the Period of Takaful according to the terms and conditions of this takaful contract.

This takaful contract is made up of the Application Form, this Certificate and the Schedule. You should read them together carefully to make sure that You get the cover You need.

This takaful scheme is governed by the Islamic Financial Services Act 2013 and regulated by Bank Negara Malaysia. A requirement of this act is the establishment of a Shariah Committee to advise Us to ensure We are not involved in any activity that is not approved by the Shariah."

If **You** have covered **Your Car** for a continuous period of 12 months and **You** or anyone else did not make any claim under this **Certificate** during that time, a NCD will be applied at each renewal. The applicable NCD will increase with each renewal if **You** continue to have claim free years as follows:

2. **One Claim and Your NCD is Down to Zero**

If **You** or anybody else meet with an **Incident** which will give rise to a claim on this **Certificate**, the NCD entitlement that **You** have accumulated would drop to zero at the next renewal and **Your** NCD will start all over again. If a claim is received after the NCD has been applied, **We** shall be entitled to recover the NCD given from **You**.

Your NCD will not be affected even if a claim is made if:
