

MYRUMAH TAKAFUL

INTRODUCTION

Takaful is a mutual assistance scheme based on the spirit of brotherhood and solidarity where Participants like You agree to assist each other financially in case of certain defined need. With this intention in mind, Participants pay their Contributions on the basis of Tabarru' (donation) to the General Takaful Fund (Fund) managed by Etiqa General Takaful Berhad (Takaful Operator). Payment of sum covered to Participants is payable from the Fund based on the concept of Tabarru'.

As the Takaful Operator, We are responsible for selecting Participants and to determine and collect the Contributions. We are also responsible for investing the Fund and paying Benefits to entitled Participants. All proceeds from investments will be credited into the Fund. The Fund is collectively owned by the Participants where Tabarru' portion of the Contribution is placed for the purpose of takaful. The relationship between You and Us is governed by the Wakalah (agency) contract.

The surplus from the Fund will be determined annually and will be payable for annual Certificate. The distribution, if any, makes allowance for contingency provisions, and is subject to the surplus policy approved by Our Shariah Committee. The distributable surplus, if any, is fifty percent (50%) paid to Us for operating and managing the Fund, based on the contract of Ju'alah (reward), and the remaining fifty percent (50%) is shared between Participants whose Certificates have not terminated and who have not made any claims within the financial year. In the event of any deficit from the Fund, there will be no surplus distribution for that financial year. Under such circumstance, the deficit will be first funded by the amount allocated for contingency purposes. If the Fund is still in deficit, a Qard (interest-free loan) will be arranged. The Qard will be carried forward to the following financial year and any surplus emerging thereafter will be used to pay off the Qard.

Your application to join this takaful scheme as a Participant has been accepted based on the Application You signed and any other information provided to Us. If You did not fill in an Application form, Our acceptance is based on the statement of fact and on any other information You gave Us. As a Participant, You will receive takaful cover for death, loss or damage to property covered that may happen to You during the Period of Takaful according to the terms and conditions of this takaful contract.

This takaful contract is made up of the Application, this Certificate and Schedule. You should read them together carefully to make sure that You get the cover You need.

The coverage provided under this Certificate is subject to the Terms, Provisos, Exclusions and Conditions herein or endorsed hereon. It is a condition of this Certificate that the liability of the Takaful Operator shall in no case exceed in respect of each item in the sum expressed in the Schedule to be covered thereon or in the whole the Total Sum Covered under each Section or the amount specified in the Schedule as the Limit of Indemnity and for the Period of Takaful.

This takaful scheme is governed by the Islamic Financial Services Act 2013. A requirement of this Act is the establishment of a Shariah committee to advise Us to ensure We are not involved in any activity that is not approved by the Shariah.
